

International Journal of Ayurveda

Reviewer Evaluation Form

This form follows the Review Report Structure set out in the journal's Peer Review Policy. Please complete all sections. Recommendations and comments should be specific and actionable wherever possible.

Manuscript Information

Manuscript ID: _____

Manuscript Title: _____

Reviewer Name: _____

Date Completed: _____

1. Summary

Brief overview of the manuscript and its main findings, in your own words.

2. Strengths

Positive aspects and contributions of the manuscript.

3. Weaknesses

Areas needing improvement.

4. Specific Comments

Detailed, line-by-line or section-by-section feedback. Reference page/line/section numbers where possible.

5. Evaluation Criteria

5.1 Scientific Merit

- ☐ Originality — novel contribution to Ayurvedic knowledge
- ☐ Significance — importance to field and clinical practice
- ☐ Methodology — appropriate design and execution
- ☐ Analysis — correct statistical methods and interpretation
- ☐ Conclusions — supported by data and appropriately limited

5.2 Presentation Quality

- ☐ Clarity — clear writing and logical organization
- ☐ Completeness — all necessary information included
- ☐ Accuracy — factual correctness and proper citations
- ☐ Formatting — adherence to journal guidelines

5.3 Ethical Compliance

- ☐ Research ethics — proper approvals and consent procedures documented
- ☐ Publication ethics — no evident plagiarism or duplicate publication
- ☐ Data integrity — data appears authentic and properly analyzed
- ☐ Conflicts — appropriate disclosure of interests present

6. Recommendation

- ☐ Accept
- ☐ Minor Revision

☐ Major Revision

☐ Reject

Rationale for recommendation:

7. Confidential Comments to the Editor (Optional)

Private feedback not shared with the author — e.g., suspected misconduct, or context the editor should weigh independently.

Reviewer Declaration

☐ I have no conflict of interest with the authors or this manuscript.

☐ I have a conflict of interest, disclosed as follows:

☐ I have completed this review within the requested timeframe and maintained confidentiality throughout the process.
